

Guidelines about the ECIU Conference Application Form 2023

This is the application form of the ECIU Conference 2023. You will be able to apply to attend the conference, to participate as a main facilitator or co-facilitator of a challenge session, or to present a poster.

You can consult the Call for Challenges and the Call for Posters before filling in the application form at :

ECIU University Research Conference – Poster Call: <https://www.eciu.eu/conference/eciu-university-research-conference-poster-call>

ECIU University Research Conference – Challenge Call: <https://www.eciu.eu/conference/eciu-university-research-conference-challenge-call>

If you have any questions about the application form, please contact eciu.university.conference@uab.cat

Participant's information

Name and Surname(s)*

E-mail address*

Alternative e-mail address

Gender*

- Female
- Male
- Non-binary
- Prefer not to say
- Other: _____

In which topics are you most interested in? Please order the topics by preference (1st - most interesting, 5th - least interesting)

- Circular economy
- Energy and Sustainability
- Resilient communities
- Transport and Mobility

Type of stakeholder*

Keep in mind that ECIU University members are: Aalborg University, Dublin City University, Groupe INSA, Hamburg University of Technology, Kaunas Technology University, Linköping University, Lodz University of Technology, Tampere University, Tecnológico de Monterrey, Universitat Autònoma de Barcelona, University of Aveiro, University of Stavanger, University of Trento, University of Twente

- Academic & Research staff of a ECIU University member
- Civil society
- Learner of a ECIU University member
- Non-academic staff of a ECIU University member

- 
- PhD candidate of a ECIU University member
 - Private sector
 - Public sector
 - Other: _____

University*

If you are from a ECIU University member

- Alborg University
- Dublin City University
- Groupe INSA
- Hamburg University of Technology
- Kaunas Technology University
- Linköping University
- Lodz University of Technology
- Tampere University
- Tecnológico de Monterrey
- Universitat Autònoma de Barcelona
- University of Aveiro
- University of Stavanger
- University of Trento
- University of Twente

Name of the institution/organisation*

If you are not from a ECIU University member

Indicate the University's ecosystem to which you are connected to*

If you are not from a ECIU University member

- Alborg University
- Dublin City University
- Groupe INSA
- Hamburg University of Technology
- Kaunas Technology University
- Linköping University
- Lodz University of Technology
- Tampere University
- Tecnológico de Monterrey
- Universitat Autònoma de Barcelona
- University of Aveiro
- University of Stavanger
- University of Trento
- University of Twente

Professional profile*

- R1 – First Stage Researcher (PhD candidate)
- R2 – Recognised Researcher (PhD holder)
- R3 – Established Researcher
- R4 – Leading Researcher
- Student
- Technical staff

Title of the PhD programme*

If you are a PhD candidate.

Field(s) of science/ Area(s) of interest*

If you are a researcher or a student.

Name of your Department/Center/Work area (in English)*

Which role will you have at the Conference?*

The main facilitator is the one expected to provide details about the challenge session he/she is proposing,

- Participant + Challenge session main facilitator (Challenge host)
- Participant + Challenge session co-facilitator
- Participant + Poster presenter
- Participant

Please indicate the name of the main facilitator (Challenge host) of the session you are going to co-facilitate*

If you are aiming to co-facilitate a challenge session.

Name of your PhD supervisor*

If you are aiming to present a poster.

Do you have the approval by your supervisor to participate in the call for posters?*

If you are aiming to present a poster, this is mandatory. If you do not have the permission, you can either get it before submitting the form, or participate as an attendee.

- Yes
- No

Information about the proposal

Please fill in this information taking into account the evaluation criteria specified in the Terms of Conditions in the [Call for Challenges](#) or [Call for Posters](#).

Please provide a short bio (max. 300 characters including spaces)*

Topic*

- Circular economy
- Energy and Sustainability
- Resilient communities
- Transport and Mobility

Circular economy Key Words: Select a maximum of 5 key words which are related to your proposal*

If your proposal is related to Circular economy.

- Business models
- Circular culture, consumption, and behaviour
- Circular design
- Circular food systems
- Circular labels
- Design thinking
- Digitalization in circular models
- Industry engagement
- Measuring circularity
- PaaS (Product as a Service) related tech
- Resource recovery/recycling/reprocessing technologies
- Sustainable management
- Sustainable materials

Energy and Sustainability Key Words: Select a maximum of 5 key words which are related to your proposal*

If your proposal is related to Energy and Sustainability.

- Citizen engagement in energy research
- Embodied Energy of Products
- Energy communities
- Energy Data collection and distribution
- Energy grids management in a prosumer's era
- Innovative Design and control of energy systems
- Integration of renewables in the energy systems
- Life cycle analysis
- Renewable Energy storage and distribution
- The role of society in the energy transition

Resilient communities Key Words: Select a maximum of 5 key words which are related to your proposal*

If your proposal is related to Resilient communities.

- Adaptability
- Citizen participation
- Climate resilient
- Community engagement
- Energy & security
- Equity
- Flexibility
- Governance
- Green infrastructure
- Healthy environment
- Healthy society
- Hybrid-built environment
- Justice
- Just transition
- Renewable energy communities
- Resilient
- Reuse
- Smart communities
- Social capital
- Social health
- Urban futures
- Water resilient

Transport and Mobility Key Words: Select a maximum of 5 key words which are related to your proposal*

If your proposal is related to Transport and Mobility.

- Actors' conflicting perspectives on logistics.
- Efficient logistics vs. crisis management
- Green labelling of e-commerce deliveries
- Planning of construction projects in dense city areas
- The 15-minutes city

Submission title* (max. 100 characters including spaces)

Please indicate again if you are facilitating a challenge session or presenting a poster*

- Main facilitator of a Challenge session (Challenge host)
- Poster presenter

Extended abstract*

If you are a poster presenter.

Please provide a brief description of the challenge*

If you are the main facilitator of a challenge session.

You can include, if applicable: Description and relevance of the challenge, Context, Background and innovative potential, Added value of the proposal, Methodology/approach, Replicability of the solution(s) to the challenge, Participation of diverse actors in the identification of the challenge and/or the co-creation of the solution, Goal(s) of the related research, Possible research questions related to the challenge, Solutions/conclusions, and other information.

Please provide a brief description of the members of the different institutions which will participate in the session you are proposing (as co-facilitators) (max. 300 characters including spaces)*

If you are the main facilitator of a challenge session.

Bear in mind that it is required that members from at least two different institutions co-facilitate the challenge session. Provide name/job/title/background and complementarity of institutions

Please describe the structure and content of the session, of an approximate duration of 2 hours (max. 300 characters including spaces)*

If you are the main facilitator of a challenge session.

Indicate the target group(s) of your session*

If you are the main facilitator of a challenge session.

How will your session contribute to broaden the collaboration between more partners than the ones organising it? (max. 300 characters including spaces) *

To apply to participate in the ECIU University Conference 2023, please fill in the Microsoft Forms: <https://forms.office.com/e/4YAPbNKXJO>

You can use this template to think about your answers beforehand, and then copy-paste them in the Microsoft Forms.
